

# A Friendship Forever

Written by Jeannine Bernardi

The morning sun is rising high,  
lighting up the African sky.

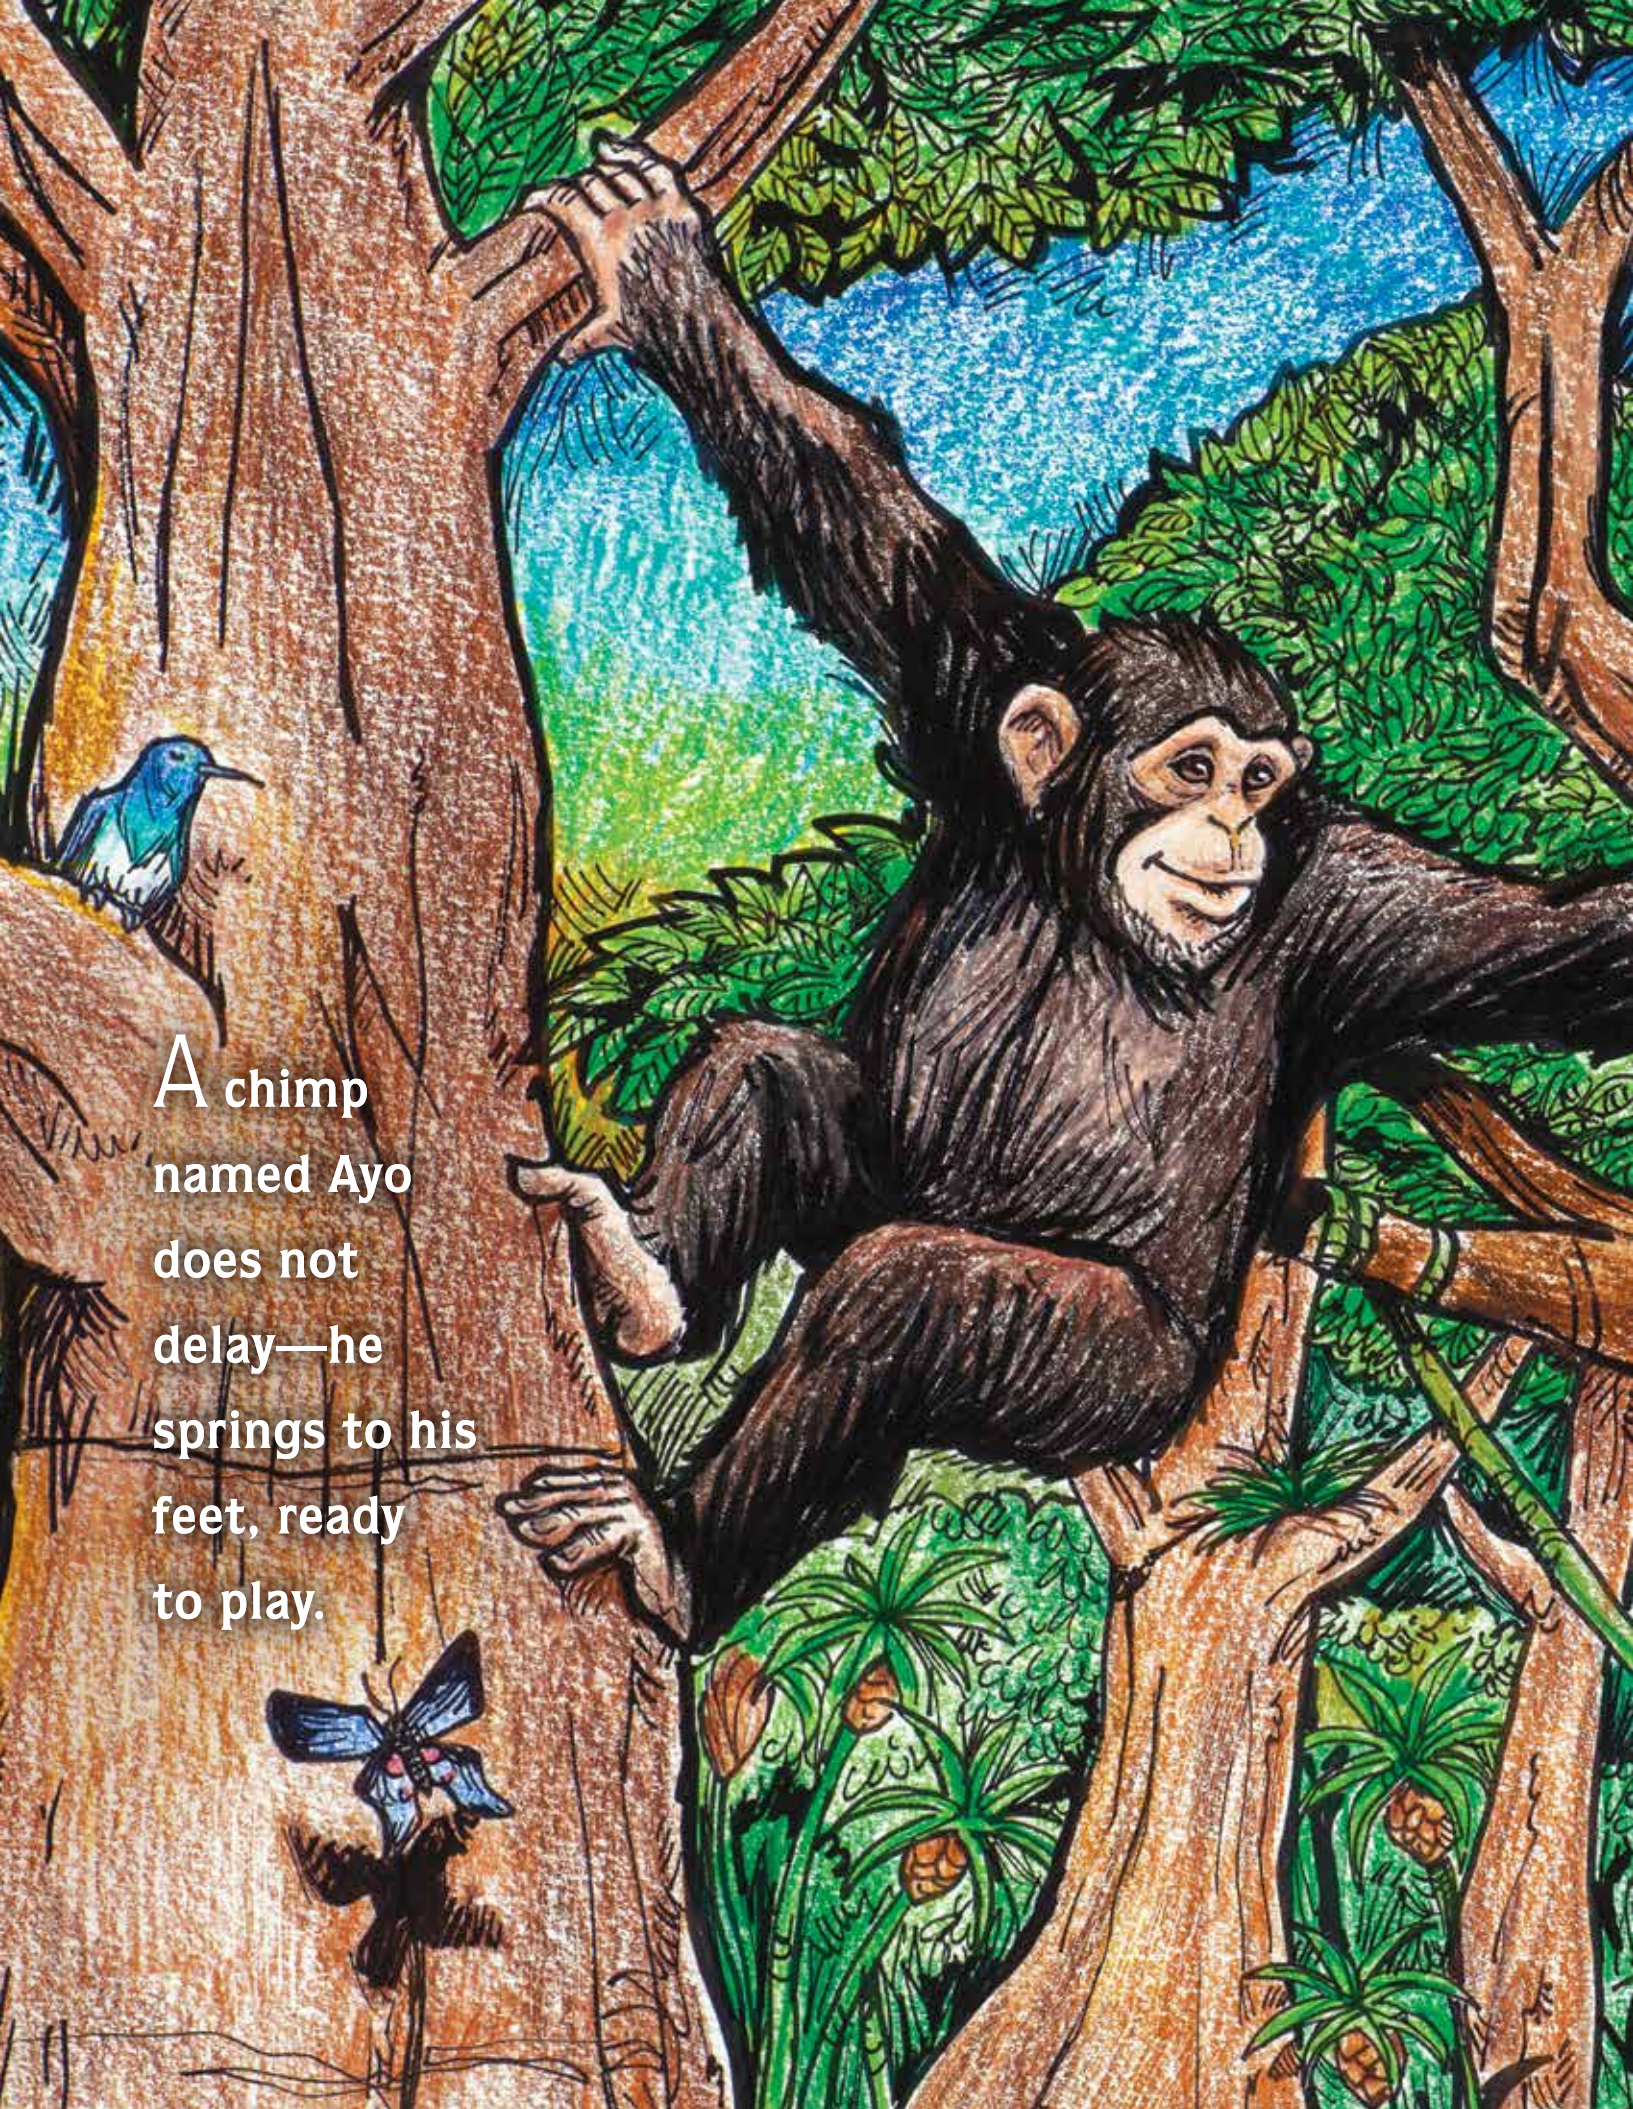

The forest welcomes a brand new day,  
inviting its creatures to wake up and play.

Among the trees  
are lots of nests,  
where chimpanzees sleep  
to get their rest.

A chimp  
named Ayo  
does not  
delay—he  
springs to his  
feet, ready  
to play.

He scampers to a nearby tree,  
where his best friend, Neo,  
is still catching zzz's.

Poking, patting, bending an ear—  
it's Ayo's way of saying, "Wake up, I'm here!"

Neo opens his big, brown eyes,  
ready for the day's surprise.
